

Welcome to Your **Learning Academy**

We've created a specialized series of online training courses just for you! These courses are designed to help you successfully navigate the tools and resources within your program.

Courses Include: (but are not limited to)

- **Get to Know Your Program**
- **Initial Kickoff**
- **Assignments, Reports, and Q&A**

For Administrators:

- **Administrator Training**
- **Data Deep Dive**

Each course in the series provides a comprehensive understanding of your program through clear explanations, real-world examples, video demonstrations, and interactive online activities.

Your coursework will automatically save as you progress, allowing you to exit and return at any time. Upon completing each course, you will receive a certificate of completion.

Recommended Materials:

- Your **Teaching Edition**
- Your **login credentials** for your digital experience

Ready to Get Started?

Click on the link below to begin your training:

→ • **Florida B.E.S.T.**

Log in using your first name, last name, and school email address. Once logged in, click on **"Home"** to explore all available courses. Your progress will be saved automatically, so you can pick up right where you left off!
