

Big Ideas Textbook Training (4 hrs)

MyPD Section # 21645

This digital training will feature several short videos (not 4 hours worth!) highlighting various aspects of the new curriculum that are organized in the following categories:

- General Overview
- Layout of Print Textbook
- Intro to Digital Resources
- Instructor Presentation Tools
- Assessments and EOC Practice
- Practice, Enrichment, and MTSS Supports
- What Students See Online

Teachers can visit this training as many times as they wish and view any selection of videos they find useful and use them to help them explore their new curriculum. To receive PD credit for the course, a short quiz at the end of the course will need to be successfully completed.
