

**Math Fact
Fluency Online
Book Study
(10 hrs)
MyPD Section
21208**

Our online Math Fact Fluency Book Study is an opportunity to learn the five fundamentals of fact fluency, strategies students can use to find facts that are not yet committed to memory, create and implement easy-to-make, easy-to-use games that provide engaging fact practice, and use assessment tools that provide useful data on fact fluency and mastery.

Please contact Erin Dozier – Elementary Math TSA to receive a copy of the book for the book study.
